**JOINT NOTICE TO THE COURT**

On September 9, 2019, the United States, by and through its Assistant United States Attorneys, and defense counsel Jimmy Ardoin (collectively the “parties”), conferred via telephone in the presence of the Court. The Government provided notice that it recently discovered a likely Government witness at trial in this matter, Paul Carmona, is married to a member of the Court’s staff (but one who is not working on this matter). The parties agreed and herein confirm their agreement that this fact does not raise any conflict for the Court or any basis for recusal of the Honorable Lee Yeakel, who will be presiding at trial. The parties further confirm that they have not requested an alternate judge for trial and waive any such request absent new and additional facts that would warrant such a request. However, the defense reserves the right to object to the admission of any evidence or testimony from the witness in question at trial.

Respectfully submitted,

JOHN F. BASH,  
United States Attorney
